Located at 17-19 Solent Circuit, Baulkham Hills the project involves the conversion of an existing seven (7) storey commercial building into a private Hospital for Specialist Surgery.

Significant alterations and additions to the existing building commenced in October 2013.

The following facilities will be provided within the project:

- 10 Operating Theatres
- 80 Ward Rooms
- Day Surgery
- Rehabilitation functions - including pool
- Radiography and MRI Suite
- Central Sterilising Services Department
- Doctor's Consulting Suites
- Café, Chemist and Pathology
- Parking for 300 cars on site

The full array of building services has been designed and is being built to the highest current standard in terms of performance and quality.

Caverstock Group is providing Project Management and Superintendent Services on behalf of mdEquity Pty Limited.

Delivery of the project will include the complex integration and commissioning process and transition from construction phase to a fully operational hospital in early 2015.
