

Pinctada Hotel, Broome

Hotel

Client:	Civil North Pty Ltd
Contract Value:	\$38 million
Services:	Development Management, Project Management, and Construction Management

Pinctada Hotel is a 5 star hotel at Cable Beach, Broome, constructed for Marilynne Paspaley. The property has been finished to the highest standard. Several green initiatives have been incorporated into the project, eg. grey water plant, solar hot water heating, etc.

Initially, Caverstock Group was employed to provide development management services which expanded into project management and full construction management which involved setting up a building company with the client to construct the project. The project was completed in May 2009.
